

# Skeleton Hand with Petri Dish Pumpkin Carving Template

[www.edvotek.com](http://www.edvotek.com)

---

## Happy Halloween!

### INSTRUCTIONS FOR CARVING TEMPLATE:

1. PRINT your pattern to fit the size of your pumpkin.
2. TAPE your pattern to the pumpkin and POKE or trace along the outline of the pattern.
3. REMOVE the pattern and CARVE out the pumpkin skin along the outlines. ENJOY!

*Note: This pattern works best by removing just the pumpkin skin, not carving through the pumpkin.*
